PAUL MILLER TEACHING CONTRACT

J Germann reviewed the fact that Paul Miller was hired with a provisional license for the school year 2008-2009. He had three years to obtain credits for Montana certification. P Miller reported to J Germann in August 2011 that he would not be able to fulfill the requirements for certification. J Germann reviewed MCA 20-4-202 and 20-4-201 which delineate Montana certification registration and teacher employment contract requirements.

J Germann informed the Board that the Elementary Physical Education position has been advertised since August. A substitute will be assigned to P Miller's classroom duties until the position is filled. It is the goal of administration to recommend a candidate for hire at the November meeting of the Board. J Germann also stated an assistant football coach will assume all post season football duties. B Steffen moved S Zorn seconded to terminate the teaching contract with Paul Miller effective October 19, 2011 pursuant to MCA 20-4-202 and 20-4-201. All members present voted aye.

With no further business to come before the Board the meeting adjourned at 7:40 am
